What is a Membership Plan?

More and more of our patients are joining our Membership Plans because they offer a simple, flexible way to pay for your private dental care.

Why have we introduced Membership Plans?

We have introduced Membership Plans because we wanted to offer our patients a wider range of options in the way they pay for their dental care. We remain committed to delivering the same high standards of dental care to *all* of our patients, whether they chose to join one of our Membership plans or stay with the previous itemised system of payment.

Why should I become a member?

Membership ensures you have access to quality dental care, offers you a simple flexible way to pay for your dental care and is designed to encourage you to visit us regularly.

Regular visits will mean:

- *Regular hygiene appointments therefore healthier gums*
- *Prevention techniques to reduce decay*
- *Early diagnosis of problems which will mean less complex and less expensive treatment.*
